Dear Members

On behalf of the Australian Region Board, it is with pleasure that I invite you to the Australian Region Conference to be held at the Campbelltown Catholic Club, Campbelltown, New South Wales, from 16th to 18th May 2008.

This conference will be filled with training sessions that will challenge and interest you, and be enjoyed by all who attend. The program includes an eclectic mix of workshops covering tools for communication, understanding new technologies, current issues and history.

The conference venue is an easy distance from Sydney by car and provides free onsite parking. It is also accessible directly from Sydney Airport by rail, with a reliable and frequent service.

The venue provides spacious training rooms with full seminar facilities, including installed AV equipment. It offers relaxed and friendly lounge areas and cafés to socialize.

The onsite accommodation at the Rydges Hotel offers members five star services at four star prices, and complementary admission to the Aquafit Fitness Leisure Centre next door.

Our conference committee, chaired by Rose McMillan, is working to ensure your comfort and enjoyment and our Education Chair, Mollie Robinson, has put together a stimulating program that will Renew and Revive all participants.

I am sure that all of you have already taken positive steps forward in your personal development this term. Take one more step – put these dates in your diary if you have not already done so, come to conference and enjoy what promises to be an exciting weekend of training, fun and friendship.
